Destiny 101
Lesson #3

Does the Bible encourage or discourage us to understand the future?

Give as many scripture verses as you can to support your answer.

What is one reason we should seek to understand the future?

Give a reason why there is a spiritual battle to obscure the future.

The Axiom of the Future says: *We all make plans based on our perception of the future.*
Can you give an example when this has been true in your life?
